

MAGAZINE – PROFILE

For more than 30 years **FRUIT PROCESSING** – as a specialized B2B magazine for the international fruit processing, juice and soft drinks producing industry and their suppliers – covers the latest news and relevant topics worth to know in the industry. **FRUIT PROCESSING** is the ultimate marketing tool to deliver your message directly to professionals from management, production, engineering, marketing and R&D.

The international peer-reviewed magazine ensures comprehensive and insightful analysis of key industry concerns. Technical, scientific and marketing articles provide our readers with up-to-date knowledge to help them run their businesses successfully.

Today's fruit juice and soft drinks professionals set value on essential and pertinent content that offers solutions to meet their new challenges. They rely on **FRUIT PROCESSING**.

FRUIT PROCESSING – 11 issues per year!

THE FRUIT PROCESSING NETWORK

In addition to the informative **FRUIT PROCESSING** magazine we provide the website www.fruit-processing.com and the weekly newsletter **JUICY NEWS** to bring news to a broad target group within the fruit beverage and fruit processing industry. **Social media** actions and **other print and digital publications** complete our portfolio. **Altogether we reach more than 54,000 contacts in the soft drinks industry per month!**
